**ARIZONA OFFICE OF TOURISM (AOT)
PROPOSITION 302 MARICOPA COUNTY GRANT PROGRAM**

Purpose

In 1999 voters approved the Proposition 302 initiative, which includes funding to promote tourism in Maricopa County. Funding is derived over a 30 year period from a car rental surcharge and a 1% tax on hotels in Maricopa County.

In accordance with ARS 41-2306, funding is continuously appropriated to the Arizona Office of Tourism (AOT) which, in consultation with a consortium of destination marketing organizations in Maricopa County allocates funding to promote tourism within Maricopa County and shall not be spent for administrative or overhead expenses.

HB 2012 was passed during the Seventh Special Session, and signed by the Governor on March 13, 2010. This legislation amends Arizona Office of Tourism funding as follows:

Sec. 17. Section 41-2306, Arizona Revised Statutes, is amended to read:

41-2306. Tourism fund

A. The tourism fund is established consisting of separate accounts derived from:

~~**1. Revenues deposited pursuant to section 42-5029. All monies in this account are continuously appropriated to the office of tourism for the purposes of operations and statewide tourism promotion.**~~

~~**2.**~~ **1. Revenues deposited pursuant to section 5-835, subsection B or C. All monies in this account are continuously appropriated to the office of tourism, which, in consultation with a consortium of destination marketing organizations in the county in which the tourism and sports authority is established, shall be spent ~~only~~ to promote tourism within that county ~~and shall not be spent for administrative or overhead expenses~~. FIFTY PER CENT OF THE REVENUES DEPOSITED IN THE TOURISM FUND PURSUANT TO THIS SUBSECTION MAY BE EXPENDED BY THE OFFICE OF TOURISM FOR OPERATIONAL AND ADMINISTRATIVE PURPOSES.**

~~**3.**~~ **2. Revenues deposited pursuant to section 42-6108.01. The legislature shall appropriate all monies in this account to the office of tourism, which, in conjunction with the destination marketing organization in the county in which the tax revenues are collected, shall be spent only to promote tourism within that county and shall not be spent for administrative or overhead expenses.**

B. Monies in the fund are exempt from THE PROVISIONS OF section 35-190 relating to lapsing of appropriations.

Sec. 49. Retroactivity

Section 41-2306, Arizona Revised Statutes, as amended by this act, applies retroactively to April 1, 2010.

1. Eligibility

To qualify for funding, applying entities must have the established designation as the Destination Marketing Organization (DMO) for a city or town within Maricopa County. A DMO is defined as the primary governmentally-designated unit responsible for the promotion/marketing of a destination on a year-round basis. The funding of Proposition 302 (Prop 302) is limited to those DMOs who have been in existence for at least one (1) year prior to the current funding year. In addition, the applying DMO must have a marketing budget of at least \$100,000 for FY2012, excluding administrative costs, and exclusive of funds anticipated from this grant program.

Applicants should read and be familiar with the entire Arizona Office of Tourism Prop 302 Maricopa County Grant Program Guidelines before submitting an application to AOT.

Note: Other Maricopa County agencies/entities which do not meet the above requirements may request Prop 302 Maricopa County Grant Program funding for a specific project through an eligible DMO.

Funding

Funding for Prop 302 is contingent upon AOT's fiscal year 2012 budget. A reduction in the budget will result in a reduction to Prop 302 grant funds.

2. General Project Requirements

To qualify for funding, projects must meet both of the following requirements;

- The primary function of the project **must be** tourism promotion.
- Qualifying projects are limited to the creation and implementation or continuation of new or expanded marketing programs over and above programs that existed in fiscal year 2001.

4. **Grant Approval Process Guidelines**

- Applications from qualified DMOs will be reviewed and evaluated by the Prop 302 Maricopa County Grant Program Committee (Prop 302 Committee) which includes members of the accommodations and rental car industries, members of the Governor's Tourism Advisory Council, and AOT's Director. AOT's Deputy Director, Assistant Deputy Director-Operations, and Advertising Manager may provide technical assistance to the Committee as needed.
- Upon final Prop 302 Committee decision on the level of funding to be awarded, applicants will be notified in writing. The amount of funds awarded to approved applicants will be determined by the following:
 - the assurance of compliance with the intended purpose of the grant funding,
 - a review of gross hotel room sales for calendar year 2010 from the official municipal government for each applying entity,
 - quality of each application,
 - and the review and discretion of the Prop 302 Committee.

Grant Funding Process

- Following official notification of award, funding will be allocated to eligible Maricopa County DMOs on a monthly basis. In keeping with the monthly funding system by which AOT receives the Prop 302 funds, each eligible Maricopa County DMO will receive funding equal to one-twelfth of their yearly Prop 302 Maricopa County grant funding no later than the last day of each month of FY2012.
- Due to reduced revenues and other financial changes at the Arizona Sports & Tourism Authority (AZSTA) beginning in FY2010, Prop 302 award participants faced fluctuating monthly allocations and challenges in efforts to complete projects.

Special Note: for the FY2012 program only, approval has been given to permit DMOs to carryover remaining FY2011 funds into FY2012 activities.

Any DMO requesting use of FY2011 carryover dollars in FY2012 must provide a separate detail in their application, expense reporting and year end evaluation. This should identify the total amount of carryover, project title, activity measures, performance measures and the productivity metrics for those projects
